## Eruptions

Dry, moist, scaly, tetter, all forms  
eczema or salt rheum, pimples  
and other cutaneous eruptions pro-  
duced from humors, either inherited,  
acquired through defective di-  
gestion and assimilation.

To treat these eruptions with  
sarsaparilla is dangerous.

The thing to do is to take

**Food's Sarsaparilla**

**and Pills**

Food's Sarsaparilla permanently cures J. J. Hines, Frank, Ill., of eczema, from which  
he suffered for some time; and Miss  
Hines, Box 22, Alton, Wis., of eczema  
on face and back and chafed skin on  
legs, by which she had been greatly  
troubled. There are more testimonials in  
Food's Sarsaparilla than can be published.

Food's Sarsaparilla promises to  
cure and keep the promise.

There was a falling off of the vote  
in Missouri in this country, but the  
publicans suffered about as much as  
Democrats. During an off year  
it is no more to be expected.

The Democratic party should feel  
much encouraged by the election  
November 4th. With sound prin-  
ciples and strong men as leaders the  
Democratic party will in 1904 elect  
the President of the United States.

The Million Lyceum Course should  
be much encouraged by the people  
of Missouri. Some splendid attractions  
coming, and if the people of this  
state want first-class entertainment  
they must first appreciate it. The rate  
has been made reasonable.

The fine cattle sold at the Emmaus  
Pollock sales should have all been  
sold by Audrain county people. It  
is to grow the very best grades of  
cattle.

The farmers of Audrain county  
are arranging to grow better stock  
all kinds, and this county is fast  
becoming famous for its fine Shorthorns.

The Missouri Press Association will  
be in this county on Thursday and  
Friday, 22 and 23, next. The State  
Historical Society will meet with the  
Missouri Association at the same time.

Dr. Walter Williams, editor of  
Columbia Herald, will lecture in  
this county on December 2, subject  
"The Empire of the Future." Mr. Williams  
returned from a six months trip  
abroad, and has delivered several  
lectures since his return, and is always  
well received.

Mr. Williams is a native of Ire-  
land and came to the United States  
when a small child, living in Monroe  
and Audrain counties nearly all of his  
life.

Funeral services over the remains  
of Mrs. Mary Sullivan, who died Sat-  
urday morning, were conducted at St.  
Brendan's church Sunday morning at  
11:30 by Rev. Father J. J. Dillon.

The pall bearers were: Jno. Madden,  
James Quinlan, Michael Quinlan,  
Claude Mansfield, Michael Scanlan

## THE W. W. POLLOCK SALE.

Shorthorn Cattle, Saddle and Harness  
Horses and Poland China Pigs  
Sold Near Littleby Wed-  
nesday—Good Atten-  
dance and Fair  
Prices.

Despite the adverse conditions of
